# A Beginner's Guide To Pendulum Dowsing

## Synopsis

Dowsing is as skill as old as Human History but it's also extremely relevant to life today. This book will guide you in choosing and programming your pendulum, introduce you to the various ways you can work with a dowsing pendulum and how you can include it in your everyday life. Discover what you can do with a dowsing pendulum, how it can help you in choosing and improving your home, help you in making the right choices for you health and your career. Dowsing can help you make healthy food choices and help you find things you have lost, your pendulum can help you make decisions and help you balance your energy field. You are at the beginning of a very interesting journey. From a long line of healers on the West Coast of Ireland, Brenda has worked with a dowsing pendulum and healing crystals for over 15 years and is a member of the British Society of Dowsters. She regularly gives talks and classes on dowsing, vibrational therapies, crystal healing and colour healing as well as writing books, articles and charts on a number of alternative therapies.

## Customer Reviews

teaches you all about using the pendulum we would recommend this book answers lots of question's we had before we got it it was a great purchase .

simple, easy to understand, practical, a perfect beginners guide. I just needed to know the basics and this book gave me what I wanted, a clean start.

Great book, gives lots of beginners needed info. Help to getting answers to all your questions.If you are just getting started this is the book to buy.

Good book to get the back ground knowledge on pendulums, and to get you started handling your new treasure!

Short and sweet-to the point-has what you need to know-shipped well and on time

This is a well written guide for a beginner to follow

Bought this for my daughter. She loves it.

I like how clear and informative this book was in getting started with a pendulum. Recommended this book to my family.
