Customer Reviews

This is one of the best calendars featuring lighthouses I have seen. It was purchased for a dear friend and he was really excited about the wide variety of pictures and the beauty of them. It is a nice dream trip around the world listening to the waves beat against the shores and admiring lighthouses at the same time.

I really like this calendar. I always have a lighthouse calendar in my kitchen and this one was very interesting. I always like things from National Geographic. I didn't find a calendar here so naturally went to .
