# Southern Living 2016 Annual Recipes: Every Single Recipe From 2016 (Southern Living Annual Recipes)

## Synopsis

Published annually since 1979, Southern Living 2016 Annual Recipes collects every single recipe from a year's worth of Southern Living magazine in one complete volume, making it the perfect companion for avid readers of the magazine who want to make sure they have every single recipe at their fingertips or for those who know and trust the authority that Southern Living brings to great Southern cooking. From simple one-sheet suppers or the perfect tailgate meal for game-day to holiday meals that will make you the envy of the neighborhood, this annual compilation presents the best of the South with dozens of menus and helpful tips from the renowned Southern Living test kitchen. Also, to celebrate the 50th Anniversary of the magazine, this collector's edition includes a special bonus: "50 Years of Cakes and Pies" with a special gatefold featuring 50 iconic cake and pie recipe covers that you won't find anywhere else. Just as you've treasured every edition of Southern Living Annual Recipes that has come before, the 2016 edition will become an essential go-to volume on your kitchen shelf and will help you create delicious meals for family and friends for years to come.

## Customer Reviews

Southern Living, launched in 1966, is the heart of Southern life. Over 16 million people turn to the magazine each month for recipes, travel tips, gardening guides, and home decorating inspiration. Readers use it, keep it, live by it. It's the magazine that no Southern home, in any part of the

country, can be without.

I was disappointed. Beyond the first couple pages all the pictures were black and white. For \$25.+ I'd expect everything in color. It's hard to get excited about a recipe when the pictures are black and white - no matter how great the recipe itself might be.

Has some really great recipes in it that I can't wait to try. I've always loved this magazine for it's recipes so I'm happy that now I can have them all in one quick and easy book. The only negative is half of the photos are in black and white, which I do not understand why since they are in color in the actual magazine. I hope the publisher rethinks this and does the next print batch in color and updates the kindle version to color photos of the food as well. It's difficult to see the outcome/finish product without a nice color photo.

We have bought every issue of the Southern Living annual recipes books since and including 1979. That is my review of this line of cookbooks. Grammie

The annual collection books are the best. 2016 was the year of friend's 50th wedding anniversary, so it became a quick add on gift to them..... I must go buy one for myself now .... since it was our anniversary year also!

I try to get SL annual recipes every year. It's an obsession! Did not disappoint!

Excellent.

perfect

Book mostly in black and white. Not what I expected.
