# Get Back Jack (The Hunt For Jack Reacher Series Book 4)

## Synopsis

Reacher left the villains alive in Bad Luck and Trouble. Now old enemies seek vengeance in this USA Today BestsellerLee Child Gives Diane Capri Two Thumbs Up!"Intricate and ingenious. Make some coffee. You'll read all night."Lee Child, #1 NYT Bestselling Author of Jack Reacher ThrillersWhen Jack Reacher Makes Mistakes, Who Handles The Fall-Out?FBI Special Agents Kim Otto and Carlos Gasparâ's off-the-books assignment leads them to the surviving members of Jack Reacherâ's elite military unit. Five years ago, Reacher sorted and destroyed a team of arms dealers in Lee Childâ's Bad Luck & Trouble before he moved on. But he made mistakes. Now, his bad luck and trouble legacy plunges Otto and Gaspar into the minefield of a grudge war between Reacherâ's fearless old friends and chilling new enemies. When his enemies take women and children hostage for ransom, Kimâ's relentless pursuit leads her deeper into the deadly war Reacher failed to finish. Mercenaries and Kimâ's unwavering heart push her through â• until she meets the wrong woman with nothing to lose. New York Times and USA Today Bestselling Author DIANE CAPRI Does It Again in another Hunt for Jack Reacher Series Novel

## Customer Reviews

A bit hohum..... too much description and not enough action. Story lacking destination..... tends to miss creating the tension for the reader with subsequent surprise elements.

It appears the writer wants to capitalize on the success of the Jack Reacher series. Well, she got me to buy two of her books, but I couldn't even finish the second one. There's just no point in the book... there's no real conclusion, which opens the door for the next book to be written (and bought).

The one agent told the story, but there were several characters to make the story interesting. Ms. Capri told a good tale, even though, the read knew that they would not find Jack Reacher. The take on one of the Reacher stories that brought it to a conclusion was a good method to gain the readers attention. I have and will recommend the book to Jack Reacher fans and fans of adventure.

Unlike the three short stories preceding this full novel, Capri was able to develop a good story plot. My sadness was that Reacher never showed but I ultimately didn't care as these characters were beginning to take on their own importance.

It was hard for me to get through this book but, I did. I think this series looking for Jack Reacher is a clever way to create a series and I applaud the author for the creativity. I hope i can read other of the search for Reacher novels.

Blah, Blah, Blah. The first half of the book just went on and on, with the two main characters (FBI agents) speculating about Jack Reacher and his whereabouts. About half way through, the book started to gain traction, forgot about Jack Reacher for the most part, and developed a decent story line on it's own. Okay read, hence the three star reading, but mostly just a Jack Reacher tease. This is the third book in the "find Jack Reacher" series, and so far, they have nothing on the man. Seems to me this author is simply making money off of a GREAT Lee Child character.

A rather transparent attempt at a spin-off from the great Jack Reacher series. It left me wanting Jack

back.

Keeps you engaged from beginning to the end. Just love Otto. Can hardly wait for the next one.  
Hurry up Diane.
