Revolution: Age Of Magic - A Kurtherian Gambit Series (The Rise Of Magic Book 4)

Synopsis

“No matter what,” she said, “tomorrow ends with blood.” Adrien’s master plan has been revealed and the battle lines are drawn. With the ashes of the Boulevard still hanging in the air, Hannah and team must race to prepare their ragtag army before the full might of Arcadia descends upon them. While Karl works to whip his troops into shape, Parker invades the belly of the beast, and Hannah and Ezekiel head on diverging paths to seek help. They’ve made a stand, but can they win the war? Revolution brings the first arc of The Rise of Magic series to an explosive end, finally setting right decades old wrongs and answering the question of good versus evil. It’s an action packed story, filled with heart, humor, and the never ending pursuit of justice.

Great story. Hanna was amazing. A few aggravations but overall I loved the adventure. Looking

forward to seeing what's next. Small spoiler alert -- Fantasy stories with magic have the fundamental challenge of balancing the manufacture of suspense and tension with not ending the battle in fifteen seconds with powerful magic but there are several times that Hanna slices guards up with ice arrows with a flick of a wrist (for example), only to lose a fist fight with a bad guy. Really? Sigh. But the overall story and team of characters way make up for the minor aggravations.

Well, well, well what an excellent ending for this arc. This installment delivered everything I wanted and than some. Hannah wares her leadership mantel very well. But there's still plenty of room for growth. Parker, Gregory, Maddie and the rest really did a great job and so did the rest of the rebels. I'm looking forward to the next book.

This story rocks! The characters and the storyline are fantastic. The story is full of fights and magic and big baddies you want to kick in the balls. You yell at the bad guys and cheer for the good guys. Good times! ENJOY

What a great series, can't wait for the next to come out. The story and characters are compelling and keeps you reading. Loved it Great Reading Everyone!!!!!!!!!!!!!!

While I liked it and am looking forward to the next arc in the series, I found the continual use of contemporary slang jarring enough to give 3 stars instead of 4.

They have to come together to fight. Some will not make it. What will the outcome be. You must read it to find out!!

Finally the evil piece of *#\$ is dead. Excellent book. I can't wait to see what they get up to in the new adventures

Hannah kicks some butt in this one! Action, Humor its all here. A fantastic conclusion to this arc of the series. Can't wait to see what's next for Hannah and group!
