## Synopsis

Prepare for boot camp with these books: Marine Corps Boot Camp Quick Guide to Drill Instructor Secrets Marine Corps drill instructors are infamous for their aggressive tactics to turn civilians into Marines. Myths and mysteries abound about these creatures. The stories heard about them are legendary. If you are getting ready to enlist in the Marine Corps then this book is for you. It will tell you exactly what you can expect from drill instructors, including secrets that they won't tell you. Included in this book are the answers to the following questions: Why are drill instructors psycho? Will they beat me? Will I survive boot camp? What if I can't meet their requirements? Do drill instructors haze recruits? Do drill instructors have families or are they cyborgs who plug in to the wall at night? Are they going to kill me? Will I get time away from them? Are you sure they aren't going to murder me in my sleep? What is drill instructor school like? And much more! Marine Corps Boot Camp Quick Guide to The Crucible Find out the secrets to the elusive Marine Corps Boot Camp Crucible! The world's toughest military basic training program has a mysterious custom called the Crucible. The Crucible is a 54-hour evolution of mental and physical stress with sleep and food deprivation. What many people don't know is what exactly a recruit experiences during the Crucible. This quick guide is designed to answer the following questions: What is the Crucible? What does a recruit go through during the Crucible? How hard is the Crucible? What happens if I fail the Crucible? This quick guide also details each Crucible event with pictures and a brief summary of each challenge. The secret to the Crucible is using the training taught during boot camp. If you are going or thinking about going into the Marine Corps, then this guide is going to be helpful to prepare you for what lies ahead. A must read for anyone, male or female, interested in becoming one of the Few. The Proud.
