Customer Reviews

This item was listed as "Used - Acceptable" and I am very happy with it. The condition of the book is excellent, the only mark I've seen on it so far is a sticker inside the front cover, which doesn't affect the book in any way. Thanks, Tacoma Goodwill!

It is a good read.

Well, did not fully meet my expectations, but it is a guide for professional jazz teachers

The Book was in perfect condition and delivered in a timely manner. It is a good book, demonstrating steps and exercises by legendary jazz great Gus Giordano. Worth the purchase.

This book is really good for beginning teachers. It covers almost all the basics and it even goes to advance. It has been very useful for different types of jazz techniques and classes.

Great price, good book and a great reference for Jazz Dance enthusiasts! Great pictures - a bit hard to follow!
