Synopsis

Second edition - revised and extended. The series "The Man From UNCLE" (1964-1968) was intended as a sort of "James Bond for TV" (and from the same "father", Ian Fleming). But it turned out to be a totally original spy fiction universe and has earned a huge fan club around the world. At the peak of the Cold War, the series dared placing an American spy side by side with a Soviet one as partners. Napoleon Solo (Robert Vaughn) is the American agent. Illya Kuryakin (David McCallum) is the Russian spy. Now, Henry Cavill and Armie Hammer are Solo and Kuryakin's new faces in a stylish movie directed by Guy Ritchie. The eBook "The Man From UNCLE Affair" tells the story of this pop culture legend, one that has become the very definition of "cool" - in 1964 as in 2015. Check out Del Florig's secret entrance to UNCLE HQ, meet Alexander Waverly, the organization's director, and rekindle your memories with a complete episode guide (including spinoff "The Girl From UNCLE"). And check the lists - guest stars, directors, writers, weapons, places of actions, evil plots, etc. What's the meaning of THRUSH? Where are UNCLE regional bases located around the world? What kind of weapons is THRUSH capable of producing? What kind of missions does Mr Alexander Waverly assign to his agents? Why were they not encouraged to get married? Why was The Girl From UNCLE a big flop? What are the differences between the original series and the 2015 motion picture? What's UNCLE's phone number? Why do every episode and film feature an "innocent" character? Do UNCLE agents get a retirement plan? How did Batman almost destroy "The Man From UNCLE"? Get on Channel D for answers and much more. Author Dagomir Marquezi brings his own memories of the 1960's spy show The Man from U.N.C.L.E. This is his first book in English. He breaks down each (105 episodes in total) episode of the four seasons (by cast, crew, acts of each episode, the affair and some interesting facts or trivia or memory of the episode. He also breaks down the eight movies The 1983 The Return of the Man from U.N.C.L.E. The Fifteen Years Later Affair and the new 2015 remake movie, and the spin-off The Girl from U.N.C.L.E. (the only season with 29 episodes), Then he gives the listing of every episode, the main guest stars, writers, directors, and different places where the affairs took place. Also has a Bibliography. Must read. This book and the Cool TV of the 1960's got me into The TV series (I had to buy the first season!) Thanks! I enjoyed this book!

This give you the idea on why 'Man from Uncle' was a popular show and the re-vamp into a movie today.

A pastiche of info. None of it very elucidating.
