Jane O'Connor is an editor at a major publishing house who has written more than seventy

books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

I love the drawings in Fancy Nancy stories. So much detail and absolutely adorable. Great for little girly girls who like to dress up. I got this book in paperback for my niece. The quality is pretty good, though the cover is a bit thin. Definitely not a book for toddlers - it would not survive! The story is sweet and has some good lessons (tell the truth, look out for friends, etc.). Not a religious Easter story, if that is what you're going for. A fun bonus is that it includes a sheet of stickers!

Lovely book, as the Fancy Nancy's are. I thought this was a little young and a little weak in story line compared to many of the previous books in the line, but the little miss who received it enjoyed it just the same. You should be aware, if you are used to some of the social dilemmas and sophisticated word choice often found in the Fancy Nancy books, this particular book is light in both areas. It's not a bad book, just not as enchanting as many others.

I bought this product for my 7 year old granddaughter who loves the Fancy Nancy books. The stories are very interesting and I have to read it to her and her 3 year old sister many, many times. I would recommend to any young child.

My granddaughter had me read this to her several times. She loved it, like all the Fancy Nancy books she's gotten.

Another great story about Fancy Nancy! Keep them coming they are always fun to read

My daughter is a huge fan of all things Fancy Nancy. Love how cute this looks in her Easter basket.

Grandchildren loved this book.

Great book! Daughter loves it!
