"What are the words to that song?" is a common question, and trying hopelessly to remember a nagging, half-finished phrase can sometimes be enough to drive a person over the edge. It's a situation that 500 Best-Loved Song Lyrics, collected and edited by Ronald Herder, attempts to rectify. From "The Aba Daba Honeymoon" (by Arthur Fields and Walter Donovan, 1914) to "Zum

Gali Gali" (Israeli work song), it covers scads of folk songs, hymns, and old-time show tunes. In the case of songs with multiple versions, Herder has chosen, as he puts it in his introduction, "the text that is most memorable, that captures the spirit of the original song the way we remembered it, that is truly 'best-loved.'" However, if the lyrics you're trying to remember are from a tune along the lines of "Proud Mary" or the theme song from the Brady Bunch, you're out of luck: in keeping with Dover Publications' standard practice, all of the included words are out of copyright, and that means they must be over 50 years old. But for Christmas carols, patriotic songs (you'll find all four verses of "The Star-Spangled Banner"), folk music, and the kind of old-time popular songs that accompany vintage cartoons from Disney and Warner Bros., this is a very useful little collection. The index is in the front, and all the songs are arranged alphabetically. One caveat: although several songs in foreign languages are provided, translations are not. (So what does "Zum Gali Gali" mean, anyway? You'll have to seek the answer elsewhere.) --Sarah Bryan Miller

This is the best book I have found for sing alongs. I work at a nursing home & the residents love music. This book helps me make there days more fun. I purchased used & it was a great deal!

A wonderful collection of song lyrics. I flip through this sometimes to get ideas for writing my own songs. These guys were masters at the art of lyricism. I'd recommend for anyone who writes songs or who just loves music.

I know the songs and the tunes; they jump into me and in one glance I am mentally singing with the happy tune coming from my heart. WOW ! I am glad. Page after page of happiness. At last I have all the words. The songs are rather crammed in to be contained. But there is no extraneous detail. All in all, my Kindle has gained value, at what I now consider a " small " investment.

Research indicates that singing reduces stress and blood pressure by promoting relaxation and deep breathing--as well as providing enjoyment. You don't have to be the winner of "The Voice" to sing to your heart's content--all you need is "500 Best-Loved Song Lyrics" for delight and entertainment. It's filled with traditional folk songs, ballads, patriotic songs, hymns, spirituals, children's songs, Broadway and popular songs. I've spent delightful evenings alone and with friends & family singing these best-loved songs--all ages singing together.

We are using this book for the lyrics to old time favorite songs for a family party. I would recommend

this book if you are looking for old time favorites.

I was a bit disappointed with the collection of songs in this book. Out of 500, so so many were unfamiliar to me. Had to return it. Sorry.

Bought for Aunts in their 80's that have forgotten some of the words to their favorite songs. Love it. Type could be larger.

Worked for what I had in mind.
