The Lyrics Of Leonard Cohen: Enhanced Edition

Synopsis

ENHANCED EDITION With curated Spotify playlists for each song in this collection, an exclusive updated tribute, and an interactive timeline of his life; rediscover one of the UK's most treasured songwriters. The enhanced The Lyrics of Leonard Cohen is a career-spanning collection, containing the lyrics of Suzanne, Hallelujah, So Long, Marianne, Everybody Knows, Famous Blue Raincoat and many more, including songs written but never recorded by Cohen himself. Blackly comic, tender, and polished until they shone like diamonds, Cohen's lyrics were unmistakable. Cohen was an accomplished novelist and poet before releasing his first album, Songs of Leonard Cohen. His music documented the tender yearnings and salved the heartbreaks of romantics around the world for six decades. The Lyrics of Leonard Cohen is an examination of the literary influence of the master wordsmith and a dazzling display of the work of one of our most passionate musical artists.

If you like his music you will appreciate knowing all the words. He was a true poet and filled with a

great spirit. Book is well put together, arrived quickly and in perfect condition.

I purchased this kindle book Nov 30 and it still won't download. The sample will download but not this book. Very annoying.

My go to reference for Leonard Cohen's songs. A must have for the Leonard Cohen fan.

This is great, love that it is linked to Spotify

I love Leonard Cohen and his lyrics.

I attended the Concert by Leonard Cohen in Florence, Italy on September 1, 2010. It was then that I thought I would have liked to have a book with the lyrics of his songs. This book which I found on was exactly the one I was looking for. English is not my mother tongue and with this book I can say that I do not miss a single word of the magnificent lyrics by Leonard Cohen.

I am a huge fan of Leonard Cohen and to be able to see the lyrics as he sings is a bonus. After following along with the song, the lyrics pull the whole piece together.

Beautiful book! THANK YOU!
