Inside The Criminal Courts, Third Edition

Synopsis

Inside the Criminal Courts is an innovative textbook that combines elements of nonfiction with fictional stories based in large part on author David Lynch's experiences as a full-time prosecutor and full-time public defender. Lynch, who holds both a law degree and a PhD in criminal justice, has published numerous articles on the criminal courts in such leading journals as Law & Social Inquiry, Criminal Justice and Behavior, and the Journal of Criminal Justice. He currently teaches in the criminal justice program at Weber State University where he recently won a prestigious teaching award. Inside the Criminal Courts covers all of the usual topics generally associated with a course on the criminal courts, but does so by integrating the essentials into compelling and realistic stories that are enjoyable to read. Students learn important concepts and terms which are embedded in instructive case studies featuring prosecutors, defense attorneys, judges, witnesses, defendants, and others. Far from being merely a book on the law, this text takes the reader behind the scenes on a journey into the real world dynamics of criminal courthouse justice. An instructor's manual (including a test bank) is available. Topics explored in this book are presented in fifteen chapters as follows: (1) The Education of Lawyers and Judges; (2) A Day in Juvenile Court; (3) Justice Delayed; (4) The Criminal Defense Attorney; (5) The Prosecuting Attorney; (6) The Judge; (7) The Witness; (8) The Steps of Due Process; (9) The Plea Bargain; (10) The Trial, Part I; (11) The Trial, Part II; (12) The Jury Deliberates; (13) Sentencing; (14) The Appeal; (15) Problem-Solving Courts. In this second edition, the author (who has both a law degree and a Ph.D. in criminal justice) has added, among other things, helpful "Questions for Class Discussion" to each chapter and a brand new, provocative final chapter that ties the entire book together.

Book Information

Paperback: 362 pages

Publisher: Carolina Academic Press; Third edition (March 30, 2016)

Customer Reviews

"Inside the Criminal Courts is a pinnacle in the annals of textbooks. Lynch's engaging writing style takes students on a captivating journey through the criminal courts and gives voice to a system that is seemingly cold and confusing. The characters offer insider views of the legal system in a manner that will have students eagerly awaiting the next chapter. Students and instructors in criminology, criminal justice, pre-law, and sociology will find this an intriguing book that facilitates the learning experience with a bold, fresh approach." --Mary Dodge, Director of Criminal Justice Programs, University of Colorado Denver School of Public Affairs

"As a former criminal defense attorney and Illinois Appellate Court law clerk, I often find criminal court textbooks inadequate because they explain how the legal system should theoretically operate, but do not expose students to the realities of the criminal court system. Inside the Criminal Courts captures how criminal courts function through narratives that explain the various stages of the judicial process. Students often express how much they enjoy reading the book." --Jo-Ann Della Giustina, Graduate Program Coordinator, Bridgewater State College

"Inside the Criminal Courts could stand alone or as a supplement to a more general text on the criminal justice system. Lynch has produced an easy-to-read, enjoyable, and informative book on the criminal courts that will serve students well. I recommend the adoption of this book by anyone teaching in this area." --Criminal Justice Review, on the first edition

David Lynch is a Professor and Chair of Criminal Justice at Weber State University.
