Customer Reviews

Great book but not much different from previous version. If you have the prior version, don't bother buying this one.

great

Good general overview of these states. To get more specifics go to suggested web sites or town, city, state tourist info sites. Gives one a broad sense of what to see in each area.

Really helped re planning our trip to the Carolinas and Georgia.

arrived early and filled with great travel info

This is just what we were looking for. Very easy to use. We will be taking this everywhere when we go on vacation.

Fodor's travel guides are wonderful books. They give excellent travel ideas.

I'm looking to move to one of the Carolinas and found this book helpful relative to attractions, small towns and generally, areas worth considering for my move.
