Jim Burris is an accomplished watercolorist. He studied at The School of The Museum of Fine Arts and Tufts University, Boston. Jim developed his own style of watercolor while creating a series of motorcycle paintings. Some of his most recent projects include the creation of his birds of prey series and dog and cat portraits. Jim is currently writing and illustrating this series of books about the very popular David Mazzearella, Sally and Brody, Blizzard and Lulu.

I just received this book today. It is beautifully illustrated and very well written. For those of us familiar with the story of Lulu, Blizzard, Brody, Miss Sally and David Mazzearella, it is a true testament of love, friendship and adventure that we so enjoy on Facebook. For those of you who are not familiar with the story that Jim Burris has so thoughtfully written, you will fall in love with these people and their four legged family. It is a great little read for the young as well as those of us who are young at heart!

Very nice pictures and nice story can't wait for more.
