Amelia Bedelia's First Day Of School

Synopsis

The New York Times bestselling picture book! Amelia Bedelia goes to school and mixes up just about everything in this funny picture book about the childhood of the iconic character. The first book in the nationally bestselling series about the childhood of America's favorite literal-minded housekeeper, Amelia Bedelia is sure that she will absolutely love school—after all, what's not to love? But after hopping on the bus "just like a bunny" (hurry up, sweetie!), confusing her name tag with a game (we are not playing tag), and gluing herself to her seat (oh, dear), Amelia Bedelia discovers that what she takes for granted is not always the way the world works. Still, friendships are formed, lessons are learned, and projects are completed, and through it all Amelia Bedelia's teacher, Mrs. Edwards, offers gentle guidance and an open heart. The Amelia Bedelia books have sold more than 35 million copies!

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

PreS-Gr 2—Returning with her pun-filled humor and misunderstandings of certain expressions, Amelia Bedelia has her first day of school in this adventure. Her day is full of confusion—she thinks her teacher is playing tag when she tries to give her a nametag, and

Amelia doesn't understand that she is supposed to say her name when roll is called. During craft time, Amelia's teacher tells her to glue herself to her seat, which she literally does. When Amelia is the only child left, Miss Edwards admits that it's her first day of school as well, which emphasizes the theme that it's okay to be nervous about new experiences. Children will laugh at Amelia Bedelia's antics, and in many cases, the illustrations enhance the text's humor. Not all of the jokes are explained, which gives parents and caregivers an opportunity to explain the sayings or children a chance to figure them out on their own. Young readers will relate to the emotions that Amelia feels, including enthusiasm for all of her activities and confusion about what she is supposed to be doing. The plot is cohesive, the characters are fully developed, and this book is comparable to other Amelia Bedelia titles by Herman Parish, but humor aside, it may not stand out in the broader field of children's literature. VERDICT Purchase where "Amelia Bedelia" books are popular or where additional back to school books are needed. —Liz Anderson, DC Public Library --This text refers to the Hardcover edition.

"No child can resist Amelia [Bedelia] and her literal trips through the minefield of the English language...and no adult can fail to notice that she's usually right when she's wrong." (New York Times Book Review)
"Readers will giggle over Amelia [Bedelia]'s mishaps, and her genuine *joie de vivre* may assuage first-day fears." (Publishers Weekly)
"Amelia [Bedelia] wears her new picture-book format well...[it] works beautifully as a new way to encounter the gaffe-prone gal." (Booklist)
"Returning with her pun-filled humor and misunderstandings of certain expressions, Amelia Bedelia has her first day of school in this adventure...Children will laugh at Amelia Bedelia's antics, and in many cases, the illustrations enhance the text's humor. ...Young readers will relate to the emotions that Amelia feels." (School Library Journal)

My 3yo might be a little too young to fully understand all the word play in this book, but he LOVES it! (I'll definitely introduce these multiple meaning words as we continue to read and re-read it). His favorite parts are when Amelia Bedelia runs into the PE teacher (OOOOOF!), when the librarian wants their noses in the books (OUCH!), and when the teacher calls roll (HERE!) We originally learned about this book because we borrowed this book from the library. I ended up buying it because he loves it so much.

I had to explain what was funny to my five year old. The on going comedy is how literal Amelia but it could be confusing if your child also takes things literally. After I taught her the humor she seemed to like it well.

Great book, We are loving this story!

Good product, great delivery.

love Amelia Bedelia. cute character.

I, the mother of a 6 year old, found this to be a bit exaggerated for my baby. Somehow, Amelia misunderstands almost everything and acts a bit silly, though in the end it all works out as everyone ends up laughing and having a good time. As for my daughter, she couldn't seem to understand why Amelia just didn't get it...but she enjoyed the fact that everyone else around her, did not make her feel bad for making mistakes.

My 5 year old daughter loved this book. We read it several times in the weeks leading up to kindergarten. She loved Amelia and thought the book was funny and she came home from school on the first day and told me they took roll just like in Amelia Bedelia!

My 6 year old son is loving to read these books to me. He enjoys them quite a bit. It's just the right mix of fun but challenging books for kids transitioning into more complex "read aloud" stories.
