My 7 year old grand-daughter loves this book!! We read it together every night before bed. She loves the activities and says the prayer...she begs for me to read it with her. We are going to finish it before school starts then I will get her the next level.

Wonderful book to accentuate girl power it is so important to help build self esteem in girls so they can walk in confidence when faced with lifes challenges.

Love it !! I read it with my daughter and she loved the activities!

This book was more a simple activity book than an inspirational book. Not what I was looking for but cute.

My granddaughter loves her book

I wish the journal was more pages or separate. My 8 year old granddaughter is flourishing in her relationship with God. Thank you and blessings to your ministry.

My daughter who is 8 yrs old has enjoyed this devotional. She showed it to my niece and she wanted one as well. My daughter likes the activities most of all.

Unfortunately my daughter has to be guided through the book. Can't really do on own. ..not really into it. Has some questions she definitely can't answer herself.
