Preacher, Book 1: Gone To Texas

Synopsis

Merging with a bizarre spiritual force called Genesis, Texan Preacher Jesse Custer becomes completely disillusioned with the beliefs that he had dedicated his entire life to. Now possessing the power of "the word," an ability to make people do whatever he utters, Custer begins a violent and riotous journey across the country. Joined by his gun-toting girlfriend Tulip and the hard drinking Irish vampire Cassidy, the Preacher loses faith in both man and God as he witnesses dark atrocities and improbable calamities during his exploration of America.

Fantastic. Unlike any other comic I have read before. If you have an open mind, read.

Overall a very good and entertaining read. Seriously a book that had me laughing out loud it's filled with twisted good dark humor. Yes I read it because of the AMC show that is on now but I'm so glad I picked this up this legit was the first comic book I've read from front to bottom. If your a fan of the show you should get this book and if your a fan of the comics you should also get this book.

Amazed by how much content there was. A 'Walking Dead' novel will take a strong reader about an hour to two hours. This book took me five to six hours to complete. Totally worth it! This comic has a great flow, beautiful colors, and dynamic characters. It is even great for people who don't often read comics. And if you don't like it for the content, keep it for the AMAZING artwork!

The book is of course not like the show in layout and story line but it is a fun read and fills in background info for the TV show. Really enjoy both.

Simply the best comic out there. Dialogue's hardcore and over the top in a good way. The drawing is simply amazing and adds to the mood of the story. I read this as a teenager and 16 years later I am refreshing my memory because of the launched TV show on AMC. Experiencing the comic as an adult really adds depth I simply couldn't understand as a child. Highly recommended!

Xcellent atory

good

I was first introduced to this series by the new AMC series Preacher and I was hooked instantly and had to find the comics/graphic novels. I tore through this first book in less than a week. I'm half way through the second book! I can't wait to read the rest! Thank you for making it so easy to buy these and have them at my fingertips:)
