God Gave Us Heaven

Synopsis

As the sun rises on her snow-covered world, Little Cub wonders aloud, “What is heaven like?” With tender words, her Papa describes a wonderful place, free of sadness and tears, where God warmly welcomes his loved ones after their life on earth is over. Little Cub and Papa spend the day wandering their beautiful, invigorating arctic world while she asks all about God’s home: How do we get to heaven? Will we eat there? Will I get to see you in heaven? Papa patiently answers each question, assuring her that “Heaven will be full of everything good.” This gentle story provides satisfying answers for a young child’s most difficult questions about what happens after this life, inviting “little cubs” to find comfort in knowing that God Gave Us Heaven. Also available: God Gave Us You, God Gave Us Two, God Gave Us Christmas.

Customer Reviews

Lisa Tawn Bergren is the award-winning author of nearly thirty titles, totaling more than one million books in print. She writes in a broad range of genres, from adult fiction to devotional. God Gave Us Heaven is Lisa’s fourth children’s book, following in the tradition of the best-selling God Gave Us You. She makes her home in Colorado, with her husband, Tim, and their children, Olivia, Emma, and Jack.

Very good book to read to children going through a death in the family. Acknowledges God and heaven.

Wonderful Christian book for kids. Can't say enough good things about it.

Love this series of books! Great message and good read with beautiful pictures!

This book was very helpful to my in coping with the loss of his father. Thanks for writing such a sweet book about such a difficult subject.

Beautiful book!! Love the illustrations and the message is wonderful

A lovely book and my grandchildren enjoyed it. It gave us an opportunity to talk about God. They weren't afraid and loved the drawings. My only issue was for my grand kids (age 3 and 5) it's a bit too long and some words they wouldn't understand. But I shortened it and improvised. Probably no problem for kids a little older.

Precious. Love it

I like this book, but it's a lot of text for a little one. I think they may need to be 4 or 5 to "get it". We will try again in a few months because my 3 1/2 year old lost interest a few pages in.
