Happy with it

Good enough for close-in walks, historical sites and museums in the city.

This was a gift for my uncle who is planning a trip. He loves the pop out !!

Great size! Just stick in your pocket, and it's not terribly conspicuous when it's unfolded. The true

test will be in its use this summer.

Very convenient while spending a week in Copenhagen- a beautiful city !

Writing is a little small but otherwise a great and compact map. It doesn't hold up super well though.

going to be very helpful for our trip

This is a very handy guide with an accurate portrayal of town/streets and attractions. It's essential if you're on your own!
