Hilarity Ensues

Synopsis

Here's Tucker Max's third and final book in his series of stories about his drunken debauchery and ridiculous antics. What began as a simple sentence on an obscure website, "My name is Tucker Max, and I am an asshole," and developed into two infamously genre-defining books, *I Hope They Serve Beer in Hell* and *Assholes Finish First*, ends here. But as you should expect from Tucker by now, he is going out with a bang - literally and figuratively. In this book, you'll learn: How to live and work in Cancun, while still enrolled in Law School Why Halloween is really awesome How to subtly torture a high-strung roommate until he explodes with furious anger over a misplaced condiment What really happened when a dirty pageant girl tried to sue Tucker because he told the truth Why you should never accept a homemade treat from a hippie with a van, and What happens when Tucker turns sexting into a sport. He's still Tucker Max, and - for one more book - he's still an asshole.

Book Information

Audible Audio Edition

Listening Length: 9 hours 38 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Blue Heeler Books

Audible.com Release Date: February 23, 2012

Language: English

ASIN: B007CNMP7E

Best Sellers Rank: #117 in Books > Audible Audiobooks > Humor > Essays #243

in Books > Humor & Entertainment > Humor > Love, Sex & Marriage #455 in Books > Humor & Entertainment > Humor > Essays

Customer Reviews

Not for the easily offended. Luckily I grew up with a brother so I'm almost impossible to offend;)). If you enjoyed his other books you will also like this one. Some tales that he has been unable to tell in full (Miss Vermont) are told completely. I laughed so hard I cried. His illustrative word choice and pithy bluntness put his stories and jokes over the top for me. Definitely one of my 'ppl I'd like to have to dinner.'

I am not the target audience for this genre but I received the first book "I Hope they Serve Beer in

Hell" as a gag gift (I am a senior WASP middle class gal) and read it anyway. Tucker Max is a clever writer and definitely knows how to tell a story (albeit embellished in the afterglow of alcohol and hindsight humor). It is wicked funny. I always wanted to know how my bachelor brother spent his premarital years without actually having to have a front row seat, and this is a fair approximation. I got hooked on the characters (looking at you, Slingblade) and this book brought all the story lines to a fitting climax (no pun intended).

Nice to hear a narcissist talk so openly about how desperate women are. I admire Tuckers incredible physical constitution. If only Phillip S. Hoffman had it and so many other addicts. The most interesting part of the book is Tucker trying not to be such a narcissist and change. All narcissists can change- if they want to. Problem is they always think they are right and unless they have hard consequences, they have no reason to change. Another problem is charismatic, intelligent narcissists like tucker get silly labels like addict and then they blame the addiction/disease as the problem when nearly everyone in recovery is personality disordered. Most simply "age out" and can't keep doing the immoral things they so love to do. Then drug treatment is said to have finally "stuck" or worked. It did not. Charlie S. simply stopped using meth because meth is the stupidest drug on earth and took him down. If you use cocaine and some other drugs, you can control yourself better and live the high life you enjoy. But do us all a favor-Just don't have any children. Otherwise- love these guys for entertainment when they don't cost me anything! Go Tucker!

Tucker Max, of "They Don't Serve Beer in Hell" has a hilarious, crude, and offensive lifestyle, but that's what makes Tucker...well, Tucker. The stories he tells are reminiscent of my wilder college days, but on crack and complete loss of inhibition. If you want to be in a constant fit of tears and laughter while reading a book, this book is for you. **WARNING:** This book is not for the sensitive prude, if you are easily offended by vivid sexual descriptions, alcohol abuse, bodily fluids, drugs and complete mismanagement of all those I listed; this book is not for you.

I felt like this was a man telling his drunk stories. He didn't seem nice and was cruel to other people. I got a quarter of a way through and was done.

Pretty much like the others, some really funny stories in this book!

this is nothing more than the same stories from teh other 2 books under a new title... total ripoff

I will be honest here... overall this isn't as great as "Assholes Finish First", BUT it's still a very solid read! There are a few stories here that are contenders against the best of AFF. That being said, I still recommend this if you are a fan of the previous two books or the fratire genre in general.
