Seville Travel Guide: A Weekend In Seville (Spain Travel Guides)

Synopsis

Seville Travel Guide FULLY REVISED IN SEPTEMBER 2015 You've booked your trip, you're going to Spain. Your research quite correctly tells you that the city of Seville is a "must-see". Now it's time to plan your limited time in the capital of AndalucÃ-a and that's where this guide to Seville will prove invaluable. I've had the pleasure of visiting Seville countless times during my years in Spain and never tire of this delightful city. There is nowhere else in the country that complies so closely with the foreigner's perception of stereotypical Spain as Seville. For it is here that tapas, flamenco, bullfighting and fiesta are a way of life. In this E-Book I've compiled all the information that you need to make the most of a few days in Seville. As well as providing practical information on getting there and getting around I've also included a great selection of tapas bars and restaurants which aren't typical tourist haunts but are popular with locals. And if time allows you really ought to take a day trip to one of the fabulous destinations which you can reach from Seville. These include a visit to Jerez de la Frontera to see a performance of the dancing horses of the Royal Andalusian School Of Equestrian Art or an excursion to the Moorish city of CÃ³rdoba which is home to the stunning Mezquita (Great Mosque). A Weekend in Seville - List of Contents

Chapter 1: Welcome to Seville

Chapter 2: When to Visit Seville

Chapter 3: Getting to Seville

Chapter 4: Getting Around in Seville

Chapter 5: Where to Stay in Seville

Customer Reviews

This guide is compact and provides just enough information for one or a few days visit to Sevilla. I recommend it.

It's compact with every important monument, only less known places or buildings aren't mentioned. No map included,

Great little guide. Packs everything you could want to know in a small space. Might use a few photos.
