June Peters, You Will Change The World One Day

Synopsis

June Peters, is a vibrant ten year old girl who understands the importance of giving. She's determined to make a difference in the world and will do whatever it takes to complete her mission. However, she learns a valuable lesson about talking to strangers and giving away her lunch money. June is still eager to help those in need even if it means losing the one privilege she worked so hard for. June, like many innocent and naive children, does not understand why her act of kindness is both well received by others, but worrisome to her parents. June is remarkable and this story will encourages children and adults alike to see, to feel, and to take action in order to help those in need. This book is not only great as a bedtime story but is also a great fit for the classroom.

Customer Reviews

Alika was born in Richmond, California and currently resides in Lithonia, Georgia at the age of 32 she knew it was time to focus on her dream to become a children's book author. Her amazing son Makaio gave her so much inspiration during and after her writing process. Aside from being a new author Alika works full time for the Department of Juvenile Justice, she is also in school part-time at Westwood College. When she started developing June's character, she thought a lot about the person she is now and the child she wanted to be. She considers herself one who helps people with no expectations. "Helping people brings me so much joy and makes me feel good about myself and my role here on earth." -Alika --This text refers to the Hardcover edition.

This book is a great inspiration to our youth. This book shows no matter how old are young are wealthy you are you can make a difference in the world and as well as in your community. This book shows they kids or even you can do anything that you put your mind to. And that was a lesson that I wanted my son to take away from after reading this book.

Such and amazing story about a beautiful strong willed little girl with a heart of gold! Story reminds me so much of the beautiful, talented, kind hearted and fearless author Alika Turner!
