Masahiro Hikokubo is a writer with extensive experience on the YuGiOh! animation series. He worked on the original YuGiOh! animation as a duel designer and went on to write scripts for YuGiOh! Hikokubo is a fan of Fist of the North Star and Yasuo Otagaki's Moonlight Mile.

Very happy with this buy. Came very well packaged and is perfect.

It's a really good book. It shows some really funny parts in the chapters. Plus you'll be surprised what happens in this volume. Buy this book and you'll see what I mean.

came wrapped with card intact

I bought this for the yugioh promo card. Better than buying from TCGPlayer, because its almost the same price. Its time to duel buddy.

My child is a Yugioh fan and has all the 5ds books. They each come with a special card. she can't wait for the next volume to come out.

Really nice dueling action along with some really crazy cards. It's nice because you know one of these will come out in a future volume! And the story line is excellent as well.

Book has an interesting story. Even though its very completely different from the television story, its still good enough for anyone to get into.

It's very good it's story has good back story and comes. With a free hot red dragon archfiend card
