Customer Reviews

This format is difficult to use. While the information is still Karen Brown excellent, e-book makes for a confusing use. Next time I will wait for the hard copy.

It's so difficult to navigate. Impossible to find your way round. Of course the information is good when you can find it, but finding it is the problem.

My wife and I found this to be a very useful guide book to use with others during the week that we were making a limited driving tour of Wales.

Myself and my wife used this Ireland guide to travel. Each place listed was a gem. This guide takes the hit-and-miss nature out of B&Bs.
