Customer Reviews

Good collection, includes separate sheet music for each guitarist which is really nice. Probably around RCM Grades 8+

There is some really great music in this collection. Musicians will find a treasure of well-known pieces to enjoy with another guitarist. Tchaikovsky, Schubert and Brahms transfer very well into a guitar duet. If you are looking for music to play at almost any occasion, I highly recommend this anthology.

not a big fan of classical music. But I must say it's a pleasure to discover a bit more about it through these duets.
