i had a little hesitation because the book comes with codes i need to do school work online and if they were already used i wouldn't be able to use them. I would've wasted money. But just as they said book was NEW and the codes worked!! I also saved \$40 dollars buying it from here! I would recommend to anyone!!!!!!

Great

Fast delivery, I needed the encoder pro code which comes with the book. The code works. Thanks yo u

My book arrived in perfect condition. It was descibed accurately. I am so thrilled that it was available. I am a college student and every little bit I can save I am truly thankful for it. This book had no major markings and was in the best shape, looks brand new.

Very easy to follow and explains every detail for better understanding, will recommend.

ok

Good product, fair condition but was used so to be expected. Prompt delivery.

Great help in reviewing for my CCA exam
