MARRIAGE MADE ON PAPER (Harlequin Comics)

Synopsis

Lily Ford, who owns a small PR company, has successfully signed a contract to represent a major resort development company. The CEO of the company, whose name is Gage, is a playboy who always dominates gossip magazines. At first, Lily finds it hard to work with him, but when she sees how talented he is, she becomes attracted to Gage. However, she's somehow able to keep her composure and concentrate on her job. Gage, on the other hand, becomes interested in Lily, who reacts totally differently from his ex-girlfriends, so he makes her a surprising offer.

Customer Reviews

It is one of the better romances the female character had depth it was a good read. You will enjoy it.

In this book, we have struggling PR agency owner Lily Ford, who agrees to take on internal resort developer Gage Forrester. Since this is a romance, we know that she's gonna take him on in more ways than one. Lily is very resistant to love - and men, having seen her mother throw her life away upon boyfriend after boyfriend. Gage has already "done" the family thing, having acted as a guardian to his baby sister since he was twenty-five years old, so why would he want a wife or

family? The erotic tension between the two is hot from the get-go. Business concerns and a need to protect Gage's sister lead the two announcing a fake engagement, but on a business trip to Thailand, the sun, sand, and sea make it impossible for them to keep their distance. What I love: the crackling dialogue leaps off the pages. Maisey writes steamy sex scenes (and I like those too), but what is fantastic is the way she creates plausible backstories for her characters that both explain why they don't just jump into bed together, AND why their HEA is also a resolution of those characters' pain. She gets a tremendous amount of story into a work that's less than 200 pages; I am not sure if I am jealous or have a mad girl-crush.

The perfect Presents novel. Everything you're looking for in a Harlequin romance on a beautifully relatable contemporary setting. Both characters are so likable, you're cheering them on as the story progresses. You never get the feeling they can't get out of their own way. Instead, you're drawn into their personal struggles and inner conflict, aching for each of them to find a way to tear down their protective walls. When I'm looking for a love story with challenge and heart, I can always count on Yates to deliver.

This is the first book I've read by Ms. Yates. I thought the book was well written, flowed smoothly, and the characters were great. The book was about Lily and Gage and the process of their falling in love. This was truly a HEA ending without mud slinging insults from either side. I find that refreshing. H/h respected each other as boss and employee and as lovers. Good book. Thanks Ms. Yates. I will read more of her books.

Good story, with Growing love, mystery, but both have trust issues!!! Quick read, with a good love story.....recommended you'll love it !!!!

I REALLY ENJOYED READING THIS BOOK AND FOUND IT VERY HARD TO PUT DOWN. IF YOU LIKE THIS TYPE IF BOOK, YOU'LL LOVE THIS ONE!

Love all her books!

I loved this story and have can't wait to read more of this authors books. I have also told my friends to buy this story.
