Customer Reviews

Willie Olivier is based in Windhoek and has an extensive knowledge of both the country and the people. He is a keen backpacker, and his travels have introduced him to all aspects of this magnificent country.

A very clear and detailed map with many town maps on the back. It is, however, paper and will split with repeated opening and closing.

Very good guide with lots of helpful information. Not quite as good as the Footprint or Bradt guides but worth reading before exploring Namibia.

Arrived as promised and in timely fashion.
