Synopsis

The battle is far from over.When the lives of her loved ones are put in peril, who will Audrey turn to for help? On the surface, Audrey’s existence in the afterlife is coming together. Her quirky new mentor guides her on the path to becoming the demon hunter she always hoped. She has great friends and even a kinda-sorta-maybe new boyfriend. But if things are so wonderful, why is Logan never far from her thoughts? After learning that her family is the target of an unprecedented demonic siege Audrey puts all sheÃ¢â ¬â„¢s gained in jeopardy by defying heavenly authorities and returning to Earth. Stranded at the place she once called home with the one person she’s been desperate to forget, she’ll face vicious monsters, betrayers, and a legion of demons with an insidious weapon that even her celestial sword can’t defeat. Will AudreyÃ¢â ¬â„¢s mistakes in the afterlife be what destroys the lives of the ones she loves the most?

Customer Reviews

This book was incredible! Like I could say countless things about how powerful the conversations were between Audrey and Hugo as well as howÃƒÂ¢Ã â ¬Ã Â¦spicy (is that the right word for it?) things were between Audrey and Logan. Everything was so much more powerful than I expected,

whether it was in a good or bad situation.However, one thing I definitely want to say is that Audrey was VERY relatable. I was going through some struggles of my own and knowing what I was feeling lead to do, but wanting to against that feeling and do it anyway was something I could relate to. Never a good idea to go against! So thankful that the author really showed the powerful love God has for us even when we make mistakes and feel ashamed.Can I take a moment to say the "bad guy" surprised me? Way to go in mixing things up when I had reasons why I thought the bad guy would be someone else!Ooo also, can I take another moment to appreciate the excellent humor in this book, especially pertaining to the revealing of who Hugo and Joe are? Talk about priceless!Definitely a fantastic read and one I would strongly recommend to YA readers, especially if you’re looking for a "different" Christian read with romance.*(I received an ARC from the author in exchange for an honest review. All thoughts expressed were my own and was not required to write a positive review.)*

Absolutely fabulous book! Oh my goodness... where do I even start? This is the second book in the Life After series, so if you’ve not yet read Huntress, stop here and go pick it up. This book is a young adult, fantasy-ish book. I say "ish" because most of the fantasy is faith (Christianity) based. Angels, demons, kick butt angelfire weapons, and power of prayer type stuff. Not in your face, but present. If that’s not your thing, this might not be the book for you. However, the book is fabulous. This is not really a genre I’d read before this series, but I cannot wait for the next book. It literally gave me goosebumps and spine tingles more than once. The characters grow and develop so much in this book. Some of my major questions from the first book were answered in this book. The characters are relatable and realistic (even if I want to yell at them sometimes). The world building and description in this book are absolutely bomb dot com (do people still say that? No? Didn’t think so. Oh well.) Julie paints such an amazing picture that it is so easy to become engrossed in the world she describes (or should I say realm?). Overall, 5 stars - amazing book - definitely recommend it!

This is a thoroughly captivating book, and I was not expecting some of the turns it took! Well-written and developed, this Christian fantasy world, whose characters almost seem too real, also contains humor that often made me laugh out loud. My favorite lines are: ÃƒÂ¢Ã â ¬Ã Å“The more you know of Him, the more you will be able to see the way He does, and the more you will be able to hear His voice above the throngs.ÃƒÂ¢Ã â ¬Ã Â• And: ÃƒÂ¢Ã â ¬Ã Å“The gentle whispering of His truth in your ears and heart, comes with knowing Him.ÃƒÂ¢Ã â ¬Ã Â• And:

ÃƒÂ¢Ã â ¬Ã Å“God was big enough to take care of a situation I obviously was not capable of doing anything about.ÃƒÂ¢Ã â ¬Ã Â• But there are so many, many more!! This author writes books that not only encourage and entertain with the afterlife her imagination has created, but they also cause me to pause and think. I always want ÃƒÂ¢Ã â ¬Ã Å“to read ahead in the story.ÃƒÂ¢Ã â ¬Ã Â• But ÃƒÂ¢Ã â ¬Ã Å“IÃƒÂ¢Ã â ¬Ã â„¢m sorry to say youÃƒÂ¢Ã â ¬Ã â„¢re going to have to take this one a page at a timeÃƒÂ¢Ã â ¬Ã Â• or one book at a time! I already can NOT WAIT for the next of these stories!!!! I read this early as an ARC copy and have freely chosen to leave my own honest review.

Warfare is a great continuation of Huntress. It picks up where Huntress left off and answers the questions book 1 left you with. That being said Warfare then leaves you with a whole new slew of questions. I love the characters growth and relationship developments through out the book. At times I became frustrated with Audrey and Logan but I loved getting those glimpses into Logan's character since he was such a closed book in Huntress. Julie definitely knows how to keep you on the edge of your seat with the twists, turns, surprises, humor, secrets, betrayal and heartbreak expertly woven in this story. Audrey has obstacles she must overcome, like her Faith and trust in the Creator and those closest to her. Hopefully book 3 will answer all the questions and tie up all the loose ends. This is a great YA religious fantasy that will leave you with a book hangover and wanting more. Can't wait for book 3.

Audrey's adventure continues in Warfare with more action, more training and more Demons. When Audrey's family is threatened she is literally at war with the demons over her family she is also at war with herself over the choices she must make and she has to fight battles on every front. Along the way she forms new friendships, meets mysterious people and she learns more about Logan. There is also Battle Bear, a dragon and some surprising revelations as to who Hugo, Joe and Romona are.There are times this book will make you think and seriously contemplate what you believe and there are times when you will want to slap Audrey or Logan for being an idiot. The twists and turns throughout the story will keep you on the edge of your seat. The humor, surprises, heartbreak and angst woven seamlessly into the book will leave readers with a massive book hangover but it's definitely worth it.Julie Hall is at the top of her game and has once again delivered a refreshing take on demons, heaven, and the afterlife. She brings Christianity to readers in a new way that is fun and entertaining for everyone. I highly recommend her series and I'm very excited to see where she takes Audrey and the crew next!
