Customer Reviews

Love the book, great songs, blah, blah, blah. BE CAREFUL WHEN ORDERING KINDLE BOOKS OF THIS TYPE. The print is so f'ing small one needs a magnifying glass to see it. And no the print does not enlarge enough to get past bad printing. By this I mean, if the letters and numbers are not printed clearly, one may not be able to make out all of the nomenclature regardless of how enlarged the print is. ****LOOK**** One trick that may help is to use the "one column only" mode. right click on Kindle page. At bottom left of page one will see an icon that looks like this..Aa..(capital a next to small case a) click on Aa icon and a "View Options" box will appear. From there one may enlarge the font and/or activate the "one column only" function. This is a big help in being able to see the TAB/sheet music.

This book contains standard music notation and full tabulature. It also contains an explanation of

how read tabulature. This is a great tab book. There are 25 total songs in this book, which are:1. Beer Drinkers and Hell Raisers2. Cheap Sunglasses3. Doubleback4. Francine5. Gimme All Your Lovin6. Give It Up7. Got Me Under Pressure8. Heard It On The X9. I Thank You10. It's Only Love11. Jesus Just Left Chicago12. La Grange13. Legs14. My Head's In Mississippi15. Party On The Patio16. Rough Boy17. Sharp Dressed Man18. Sleeping Bag19. Stages20. Thunderbird21. Tube Snake Boogie22. Tush23. Velcro Fly24. Viva Las Vegas25. Waitin For The Bus

Quick and easy way to learn ZZ Top classics on the guitar. I don't agree with some of the tabulation but otherwise this book kept me on the right path to keeping the songs original.

These tabs are "as recorded" and very accurate

Very good.

As far as I can tell, spot on accuracy. Nothing to complain about, thus far.

good collection. would have like some over others but with a catalog as big as zz top you can't have all of the good ones

This is a must have for all ZZ Top and the great Billy Gibbons fans, includes some songs from the old material and most of the classic songs contained in their greatest hits.
