Easy to use tool to help you study for the PMP exam

Passed the exam!

I found the flashcards really helpful. Passed my exam on 12/23!

Really liked the spiral binding to keep items organized. Excellent way of having flash cards to use as supplemental study guide for me passing the exam.

Outstanding study tool!!!

This spiral-bound booklet contains 362 flashcards. Being 4x5x2", it's handy to take along. It's organized by the 5 process groups (initiating, planning, etc.). I wish it were organized by the 9 knowledge areas (scope, time, cost, quality, HR, etc.).

wish 'cards' were thicker but the info looks great.

The cards are too bulky and are not user friendly. Find another method to study because this ain't it! I am more than disappointed with this purchase.
