# Learn About The United States Quick Civics Lessons For The New Naturalization Test

## Synopsis

Publisher's Note: Both the paperback and hardback editions are formatted for easy readability. The ebook edition has also been specially formatted, including a completely linked Table of Contents.

As a new U.S. immigrant, Permanent Resident (green card holder), or as an American citizen...could you pass the new U.S. citizenship test? "Who was Susan B. Anthony?" "What is the promise you make when you become a U.S. citizen?" "What is one right reserved for the U.S. states?" "What do we call the first ten amendments to the Constitution?" These are just 4 of the 100 questions that the United States government wants its citizens to know. But what makes this book stand out from other study guides, is that every question also has a USCIS "mini-lesson" with it, short paragraphs that explain each answer and why the information is so important for Americans to know. The added readings will help adults who are learning English-as-a-Second-Language (ESL-EFL) understand and remember the answers to the citizenship questions, practice their reading skills, and improve their vocabulary as they prepare for the citizenship interview. It will also be helpful for anyone who is studying civics for the GED. Learn About the United States: Quick Civics Lessons for the New Naturalization Test is clearly organized and formatted for ease of reading, It would be a welcome addition to any citizenship, GED or adult ESL-EFL classroom. Highly recommended.

## Book Information

## Customer Reviews

The U.S. Citizenship and Information Services (USCIS, formerly the INS) has prepared these

readings for immigrants who want to become American citizens and for Americans who want to learn more about the most important events in United States' history, and the civics, government and culture of the USA.

Wife passed the test without any issue.

Thank you

Very good thanks

A useful book if you are studying for the US Citizenship test. All of this material is available on-line for free but having hard copy and all the information in one place made studying easier.

Excellent.

Good

This is a great resource for my students as they learn about America and its history. This is fun and easy to read.

wrong book
