Tanishka did an amazing job at introducing us to the Divine Feminine in an easy-to-absorb, yet powerful format! I believe that this is a must read for all women, especially for those who are feeling

the calling of the feminine and don't know exactly where to start!

Hands down the best book I've read in years! And I Read A Lot! This is my 3rd time to read it. I also purchased her Goddess Wisdom course through hayhouseu excited to start that soon!

I love this book. It flows very well and the information is so wise and useful. I highly recommend this book.

This book is really good. I am on the fence on weather I wanna stay in Wicca/Witchcraft or go full New Age but I believe in the Goddess and I can't trade her in for the New Age version of Jesus/God. This book made me feel safe and that I don't have to. So weather my road leads me back to Witchcraft or to New Age movement, the Goddess can watch over me regardless of which road ends up being true for me.

Excellent informative read. Easy format, I really appreciated the insight. Made a lot of sense. Highly recommend it.

I personally did not connect to this book. As soon as the author listed her website that wanted a membership fee to read the article i immediately disconnected.
