In addition, he is a frequent guest on other television and radio programs and international networks and is a contributing writer for various Bible editions, journals, magazines, and newsletters, such as The Believer's Topical Bible, The African Cultural Heritage Topical Bible, Charisma Life Christian Magazine, and Ministries Today. He is a popular author of more than forty books, including The Most Important Person on Earth, The Spirit of Leadership, The Principles and Power of Vision, Understanding the Purpose and Power of Prayer, Understanding the Purpose and Power of Woman, and Understanding the Purpose and Power of Men. Dr. Munroe has changed the lives of multitudes around the world with a powerful message that inspires, motivates, challenges, and empowers people to discover personal purpose, develop true potential, and manifest their unique leadership abilities. For over thirty years, he has trained tens of thousands of leaders in business, industry, education, government, and religion. He personally addresses over 500,000 people each year on personal and professional development. His appeal and message transcend age, race, culture, creed, and economic background. Dr. Munroe has earned B.A. and M.A. degrees from Oral Roberts University and the University of Tulsa, and he has been awarded a number of honorary doctoral degrees. He has also served as an adjunct professor of the Graduate School of Theology at Oral Roberts University. Dr. Munroe and his wife Ruth travel as a team and are involved in teaching seminars together. Both are leaders who minister with sensitive hearts and international vision. They are the proud parents of two college graduates, Charisa and Chairon (Myles Jr.).

Other than the Bible, one of the best books I've ever read. If you want to understand the purpose of the Holy Spirit, this is the book for you. Dr. Munroe is an excellent teacher and the concepts and principles taught in this book are easy to read and understand. I have read this book twice and it has brought clarity and revelation to many scriptures I didn't understand and a better understanding of the Kingdom of God and the Kingdom of Heaven.

I like his way of looking at God and Heaven and Earth I even found out some facts I didn't know it is very informative and above all excellent on how he tells the story of Jesus coming to earth to save our souls and to free us from the sin that was put on us from Adam and Eve imagine which I really

didn't know if Adam had admitted his mistake When God had asked him he would have forgiven him and Eve and they could have stayed in paradise. We are not yet finished with the book it is being used as a text in our bible class that is why i got the book i love his writing he really researches his material i also have found another book of his i will be reading that one soon too.

This is a must read for every believer! The Lord gave Myles Munroe such wisdom. He is truly missed. His work is still true because it was given to him by God. It will stand the test of time. Truth is still the truth even if it is 200 years later. Every video or book you can read from Dr. Munroe will be enlightening and worth the study!

All of the late Dr. Myles Munroe books are exceptional! For those who are really seeking the truth about God's original intent and purposes for the creation of earth and the original role of mankind in His plan, this is a must read. Enjoy

You will know more about God and you on this book. We can do everything with Him and knowing He is already within us one you accept Him as Jesus and what He does for us. Remember, the Father gives primacy of His Son. The Son gives primacy His Spirit. The Spirit Gives primacy His Anointing and you must obey him, His will, in order to receive It (Him). Give Him a primacy. All with love. Be free. Jesus Bless.

Awesome book I am learning so much about the Governor and how without Him I can not release the Power of the Kingdom

I've been looking for a book on the Holy Spirit for a long time and I finally found the perfect book. Dr Munroe goes into a great amount of detail in his explanations. This is not only a great book to read it's a great book to study. I'm looking forward to reading it again.

Awesome teaching, from an awesome teacher
