Bride Protector SEAL (Brotherhood Protector Series Book 2)

Synopsis

Ten years in the Navy, most with the elite brotherhood of SEALs, Axel Svenson

is a "Swede" who has dodged so many bullets, he knows his luck will someday run out. With younger blood pushing to take over for the older guys, and an injury that marks him for discharge, he takes the plunge into the civilian world. Since desk jobs aren't what he's cut out for, he checks on the pet project of one of his former teammates: Brotherhood Protectors. Providing personal security to rich people sounds like a walk in the park compared to where he's been. Prospective bride, Allie Patterson, thinks she's marrying the man of her dreams. He's rich, he's handsome and mysterious—everything a woman should want. Until his secrets threaten her life. After several near misses, Allie reluctantly allows her fiancé to hire one of her brother's bodyguards. The big, sexy, tattooed SEAL assigned to protect her is the kind of guy women drool over, and makes Allie question her decisions. Perhaps she's marrying the wrong man for the wrong reasons. But her brother's gruff friend can't possibly be Mr. Right. Together, they traverse a dangerous journey to get Allie to the church on time—and alive.

Customer Reviews

In book 1 of the series, I never felt a connection to the H/h, but in this one I did from the start. I enjoyed the banter back and forth between the H/h. Even though this is book 2 of the series, I feel it is a stand alone. Don't be expecting action of the Seals, because this doesn't have any of that. It takes place after they have been discharged from the military and our H starts working for a fellow Seal in a protection agency he started. The story has a lot of suspense, intrigue but not many surprises. You almost figured out right away who the villain is, but it still didn't stop me from enjoying the story. We have lovemaking outside of marriage, somewhat descriptive, and I think only one time. The ending seemed rushed to me and not really an epilogue because only 2 wks in the future. The author does include a tease at the end of this story to set up the next in the series. I wished she would have added more to this story. We do get HEA, no cliffhanger - yea. The main character's from book 1 have a small role in this one, but you wouldn't be lost if you start with this. (ljb)

Again, what can I say. I love Navy SEALs. The second book was as good as the first. "Swede" takes a job with Brotherhood Protectors, a security company run by his friend, ex Navy SEAL Hank "Montana" Patterson. His first assignment is to guard Hank's little sister, Allie, who is engaged to a wealthy man. After several attempts on her life, "Swede" realizes that he is falling for her. Can he keep her alive long enough to prove she's marrying the wrong guy? This is a definite must read.

What another great story about the trust and confidence that makes you smile and keeps you reading. You get involved in the story and wait to see what happens next. Action, love and trust between the members of a family. Great book.

I loved Bride Protector SEAL. It was funny, intrigue, suspenseful and sexy. Allie the female lead is stubborn, beautiful, sassy, sweet and does not want or need a body guard. Swede is the sexy alpha SEAL assigned to keep Allie safe. Their attraction to each other is explosive from the beginning and only gets better through out the book. Happy Reading!!

Allie is engaged to Damien. She has been threatened and Swede is brought in to be a bodyguard. Will they catch who is trying to kill her? Will she realize Damien is not the man for her?

I love this. I love this whole series. This is one I highly recommend. Characters are quirky and so real. This is a series I will read everyone of. Sexy, funny, thrilling.

Hot with plenty of action with surprises. Swede meets Allie, his best friends sister, after being hired to protect her. After many suspicious and dangerous accidents happen around Allie, her strangle fiancÃ© hires Her brothers company to protect her Allie and Swede never expected the attraction. Enjoyed story.

I loved this second book in the SEAL Brotherhood Protector series. Loved retired SEAL Swede and rancher Allie. GOOD SUSPENSE. Very nice love story. Linda
