# Day After Ragnarok Hero 6th Version \*OP (Day After Ragnorak)

## Synopsis

Welcome to the world at the end of the world. The skies are shrouded with burning, oily smoke, the Earth groans under a poisoned corpse, and the only way out may be deeper into the belly of the beast. This is a world about a flavor and a feel as much as it is about extrapolation. That said, this world has something of an edge to it it s a world nearly killed by the death of wonder, although far from all the wonders are dead. Put the grim back in grime and see the world outside the smeared Perspex windscreen. Mighty-thewed barbarians and grim mercenaries roam the desolate plains of Ohio. Giant snakes, and those who worship them, prowl the ruins of St. Louis. Pirates battle the Japanese invaders in the South China Sea. Bold British agents, equipped with experimental bio-technology, thwart the insidious infiltration of Stalin s humanzees. Sky-raiders strike from hidden bases in the Sahara, deros skulk in South American caverns, and the Texas Rangers fight electrical death worms to save Los Alamos. Kenneth Hite (*Adventures into Darkness*, *Trail of Cthulhu*) presents a world of savage swords and rocket men, of were-serpents and war-apes, from Australia s battered Empire to the proud city-state of Chicago. *The Day After Ragnarok: Hero Edition* includes:

- \* Complete rules and guidelines for creating a hero suited for these dark times, including thirty-five Heroic Templates!
- \* Dangerous ophi-tech devices built with knowledge torn from the Thing that nearly killed the world: fiber bombs, Marconi pistols, jet-packs, and more!
- \* A grand tour through the post-apocalyptic world of 1948, from the drowned East Coast to the Soviet empire behind the Serpent Curtain including the Top Five Places to Be Attacked By Pirates, the Top Five Places to Find A Remote Castle Ruled By A Madman, and much more!
- \* Stats for more than thirty foes to shoot, stab, or sneak past: Serpent cultists, Spetsnaz troopers, swamp devils, and ... snakes! Giant, 80-foot long snakes, that is!
- \* Over 20 pages of pure adventure: Four campaign types, each with a sample campaign laid out in nine scenario seeds. A massive Adventure Generator, helping you build every tale from the Hook to the Henchmen to the Twist ending! Four worked examples, taking the Adventure Generator s raw numbers and running with them.
- \* Plus old-school random encounters for the devastated wastelands of America will you face slave-raiding Klansmen, the terrifying fly-by-night, or a desperate band of escaped Wehrmacht P.O.W.s? And across it all lies the trillion-ton corpse of the Midgard Serpent, killed by Truman s atomic fire but still poisoning the Earth with every night that passes. Welcome to the world at the end of the world. Welcome to... **THE DAY AFTER RAGNAROK!**

## Book Information

Series: Day After Ragnorak

Paperback: 142 pages

Publisher: Atomic Overmind Press (September 30, 2009)
