Pinkalicious: Pink Or Treat!

Synopsis

Stay tuned for a brand-new show coming in winter 2018 to PBS Kids: Pinkalicious & Peterrific! Kids will have a pinkatastic Halloween with Victoria Kann's Pinkalicious: Pink or Treat!, an 8x8 illustrated storybook. Pinkalicious can't believe it: The mayor has canceled Halloween because a storm has knocked out the town's power. No Halloween means no Halloween candy. No Halloween jack-o-lanterns. No Halloween trick-or-treating. No Halloween holiday parties. And worst of all, no Halloween costumes. Pinkalicious has the perfect Pinkagirl costume and she absolutely has to wear it. Superhero Pinkagirl would find a way to save Halloween, and Pinkalicious decides she will too. All she needs to do is figure out a way to get the town's lights back on. The lights don't come on here, so what happens: Pinkalicious persuades the Mayor to have a Halloween party in the park in front of City Hall. From all over town, folks come with their flashlights, their pink pumpkins, and goodies to share. Pinkalicious: Pink or Treat! comes with a sheet of stickers kids can use to decorate Pinkalicious's town for Halloween.

Customer Reviews

When a big storm shuts down all the power in Pinkville, Pinkalicious must turn into Pinkagirl to save Halloween!

Victoria Kann is the award-winning illustrator and author of the picture book series featuring the whimsical and effervescent character Pinkalicious. Victoria coauthored and illustrated the first two books, *Pinkalicious* and *Purplicious*, and co-wrote the play *Pinkalicious: The Musical*. She wrote and illustrated the New York Times number-one bestsellers *Goldilicious*, *Silverlicious*, *Emeraldalicious*, and *Aqualicious*. Currently she is working on several more books about the adventures and antics of Pinkalicious. Readers can follow Pinkalicious on Facebook and Twitter.

My girls (ages 3 and 6) are big fans of Pinkalicious and we have purchased every book. We pre-ordered this book to make sure we got it in time for Halloween. In this story, Pinkalicious is getting ready for Halloween when a blackout hits the town and threatens to cancel Trick-or-Treating for everyone. The mayor announces that there will be no Trick-or-Treating if the electric company isn't able to get the lights turned back on in time due to safety concerns. Not ready to give up, Pinkalicious springs into action donning her Pinkagirl (Pink Supergirl) costume and marches down to the mayor's office with an idea. In the end, there is a happy ending where Pinkagirl's idea saves Halloween for the whole town and she and Peter come away with a huge haul of Trick-or-Treat candy, making it the most Sweetalicious Halloween ever. Overall, this is a happy and fun Halloween story with no "Mean Girl", "Pink Stinks" negativity that is found in some of the books. I like the lesson in this story about not giving up and problem solving. It is done in a creative and fun way through a realistic solution to a problem. The book also comes with several stickers of Pinkalicious and her friends in their costumes and some other Halloween decorations. This book is a really nice addition to our Pinkalicious collection and will be great for the upcoming holiday. Highly Recommended!

This book was great for us because Halloween was canceled a year ago due to the Sandy weather fiasco. It was very upsetting for our daughter and made worse by poor city communication that led

to us taking our daughter out that night only to find trick-or-treat had been canceled at the 11th hour. My husband carried a screaming and crying 3 year-old home in the rain after being turned away at the first house. This book is about a Halloween being canceled due to a bad storm which left the town without power and with many dangerous conditions that prevented trick-or-treating.

Pinkalicious saves the day by suggesting a trick-or-treat in the park with flashlights and things. It's a good book to have on hand because if you live in the eastern midwest or in the east where things like heavy storms or snow can cause problems at the end of October -- you may find yourself happy to have this book on hand.

My daughter really enjoys this book! It has a great story line about Halloween being cancelled and how it's saved. The main character has a super hero costume that she wears to help save the day! The illustrations are very nice, detailed and colorful. This book is long enough to really get a great storyline but short enough that you won't get bored reading it to your child. We read books every night before bed and this has been my three year old daughter's top pick. I really look forward to getting more in this series!

Pinkalicious isa little stinker! HAHA. But with a great and creative mind and a good sense of community spirit in this book, she finds a way to save Halloween and Trick or Treat in her town. And of course she does it all dressed in PINK!!! Fun Story

Kids loved this book and read it a few times.

Such a cute book, my daughter loves it! You really can't beat the price especially if you have Prime. I plan on buying the holiday themed Pinkalicious books for every holiday because they are so affordable and they help my daughter get excited for reading. I didn't realize it when I bought the book, but there is also a sheet of stickers included in the book as well!

Pinkalicious saves the day yet again! No trick or treat in Pinkville, how can this be! Pinkagirl to the rescue. We love Pinkalicious and her problem solving skills as well as her ability to cope with the situation at hand. Very cute and I would highly recommend this book for any girl! Not to mention you get stickers for later.

cute book
