Given Trump’s larger than lifeÃ¢â ¬â •and polarizingÃ¢â ¬â •public persona, part of Skipp Sudduth’s achievement as narrator is his creation of a buffer zone of sorts. Granted, the entrepreneur does deliver a zealous introduction, but as Sudduth takes over, it becomes possible to overlook the positive and negative caricatures of Trump the celebrity and focus on his tangible no-nonsense advice. While viewers of The Apprentice will certainly recognize The Donald ’s bravado in the recurring litany of accomplishments related to the global Trump brand, Sudduth’s presentation of the career and personal growth tips will resonate with listeners. Informative - Fantastic

This is an excellent example of good things coming in small pkgs!Well made too..tiny book with excellent, readable quotes he uses & how..This would make an excellent grad gift...or for any time or anyone. Excellent.

I am learning something from what Donald J. Trump wrote about how he was conditioned that he became Mr. President.I could only hope Mr.President can revert to his early writings and observations in conjunction with Knowledgeable personnel surrounding himto get him through his leadership.

Small Pocket Size Treasure Book with Wisdom...arrived on Nov 8 Election Day of President Donald J. Trump! True Joy!!!

I saw the title of the book and bought it immediately. If I had read the fine print, I would have realized that this is a tiny pocketbook. I wish that they put that in the title, not the print or little pictures.

Great book like all Trump books. Just didn’t realize it is so tiny- literally fits into shirt pocket.

Sunday Morning Stickup: What Your Pastor Doesn’t Want You to Know about Tithes a Must-Read for Anyone Who Pays 10% Tithes or Gives Money to aThis book is tiny but it packs a BIG Punch! I

was completely surprised by the size of it when it arrived. No bigger than a kids calculator. Becaue of the size of the book, I didn't expect much from it so I gave it to my 12 & 13 year old children. One day I came home and found them reading through it with their grandmother. The recited some of the content out loud and I was hooked. I could not believe the nuggets contained in this little book!
