Customer Reviews

So many useful tips here that can't be found elsewhere. I'm definitely looking forward to using it on our upcoming tour of Bali, but already it has been invaluable in doing some preplanning for our trip with a 10 year old.

I found this book to have so many great suggestions from dining to clothes to activities! We used this guide on countless night when we wanted a specific type of food and I used it when shopping for little botiques :)

What a great resource for all parents. We have been to Bali 3 times with our twins and this time we discovered new places that we loved thanks to this guidebook. We went trekking with Jean de la

Jungle, played at Bali Fun World, visited an organic farm and stayed in the National Park and did horse riding there. The kid friendly restaurants chapter was very useful too. This book is very complete and easy to use. I've also subscribed to their newsletter on their website and I receive regular highlights and updates. Fantastic!
