Penny Arlon writes children's nonfiction, taking inspiration from her own children. Her books range from preschool titles to family reference books, and include the Art Attack books, based on the award-winning CITV (UK) children's television program, and all 14 titles in Dorling Kindersley's Eye Know series. She is the author of almost all the books in the Scholastic Discover More emergent and confident reader strands, which have won numerous accolades and prizes.

My five year old son LOVE dinos and Legos, so it was only fitting we got him this for his Christmas

eve box. He loved it and all the whitty side facts that are on each page.

My 3 year old loves this book. He is obsessed with dinosaurs right now. I enjoy Lego humor, so its a nice change from the usual dino kid book. Very informative.

I read LEGO books before my 3 year old goes to bed

My son saw this book in the scholastic book fair magazine. He didn't see it until after the book fair and insisted he have it. Now he reads it every night and sleeps with it too!

great book for grandson
