The Complete Mushroom Hunter, Revised: Illustrated Guide To Foraging, Harvesting, And Enjoying Wild Mushrooms - Including New Sections On Growing Your Own Incredible Edibles And Off-season Collecting

Synopsis

Do you know your mushrooms? This is the only mushrooming book that will introduce you safely and with confidence to the not-so underground hobby of mushroom hunting and gathering. Gathering edible wild food is a lovely way to forge a connection to the earth. Mushrooms are the ultimate local food source; they grow literally everywhere, from mountains and woodlands to urban and suburban parks to your own backyard. *The Complete Mushroom Hunter, Revised* is a new edition of Quarry's successful *Complete Mushroom Hunter*. It will enrich your understanding of the natural world and build an appreciation for an ancient, critically relevant, and useful body of knowledge. Amateur mycologists and mushroom enthusiasts will find this is a guidebook for their passion. Mushroom guru Gary Lincoff escorts you from the mushroom's earliest culinary awakening, through getting equipped for mushroom forays, to preparing and serving the fruits of the foray, wherever you live. Inside you'll find: A brief, but colorful history of mushroom hunting worldwide; how to get equipped for a mushroom foray; a completely illustrated guide to the common wild edible mushrooms and their poisonous look-alikes -- where to find them, how to identify them, and more; how to prepare and serve the fruits of your foray, plus more than 30 delicious recipes; plus, dozens of colorful, priceless anecdotes from living the mushroom lifestyle.

Gary Lincoff is the author, co-author, or editor of several books and articles on mushrooms. He teaches courses on mushroom and plant identification and use at the New York Botanical Garden and has led wild mushroom and edible wild plant study trips and forays to 30 countries across Asia,

Africa, Europe, and South, Central, and North America. Lincoff chaired the Telluride Mushroom Festival for 25 years (1980â€”2004), and still participates as its principal speaker. He is also a featured â€œmyco visionaryâ€• in the award-winning documentary, Know Your Mushrooms, by Ron Mann. Lincoff also founded and led the New York City Edible Wild Plant Workshop, which featured a once-a-week wild edibles dinner plus a weekend hunt for edible wild plants and mushrooms in city parks. Patricia Wells published his edible wild plant recipes in an article in the New York Times, and he has been profiled in the Village Voice and New York magazine. He lives in New York City.
