Saturday Night Live: The Book

Synopsis

Live from New York, it's Saturday Night! The complete history, on stage and behind the scenes

On October 11, 1975 at 11:30 p.m., NBC viewers who tuned in to the network's new late night show saw a sketch featuring John Belushi repeating, in a thick foreign accent, nonsensical phrases about wolverines being read to him by head writer Michael O'Donohue. Abruptly, O'Donohue clutched his heart and collapsed onto the floor. Belushi paused, raised his eyebrow, and then did the same. Posing as the stage manager, Chevy Chase entered the set and feigned confusion before breaking character and announcing to the camera: "Live from New York, it's Saturday Night!" In that instant, television, which had long been out of touch with the young and hip, experienced the first seismic tremors of a major paradigm shift. TV comedy as we know it today owes it all to Saturday Night Live, the show that dared to take risks (not least the fact that it's broadcast live), challenge the censors, and celebrate the work of offbeat writer-performers. Hundreds of gifted and dedicated people have contributed to Saturday Night Live over the years, and this book pays homage to their groundbreaking work. The list of esteemed alumni, most of whom were complete unknowns when they debuted on SNL, reads like a Who's Who of the past 4 decades in comedy: John Belushi, Dan Aykroyd, Gilda Radner, Chevy Chase, Bill Murray, Al Franken, Eddie Murphy, Martin Short, Billy Crystal, Dana Carvey, Phil Hartman, Chris Farley, Mike Myers, Adam Sandler, Conan O'Brien, Chris Rock, Will Ferrell, Tracy Morgan, Jimmy Fallon, Tina Fey, Amy Poehler, Kristin Wiig, Seth Meyers, Fred Armisen, and Bill Hader to name just a few. Now, as SNL celebrates its 40th anniversary, TASCHEN brings you the ultimate tribute to the show. To research this book, editor and author Alison Castle was given not only full access to SNL's archives, but also the rare opportunity to watch the cast and crew at work. She spent the better part of season 39 in the trenches, learning how everything comes together in just six days for the live performance. Part encyclopedia and part behind-the-scenes tour, Saturday Night Live: The Book covers both the making of the show and its remarkable history. Features include:

- Over 2,300 images from SNL's archives, many previously unpublished
- An illustrated breakdown of the 6-day week at SNL through the years, with an expanded section for the live show
- Seasons reference guide with complete cast, host, and musical guest lists
- Exclusive interview with founder and executive producer Lorne Michaels

Customer Reviews

Alison Castle received a BA in philosophy from Columbia University and an MA in photography and film from New York University (NYU/International Center of Photography masters program). She is the editor of titles on photography, film, and design, including *Some Like it Hot*, *The Stanley Kubrick Archives*, *Linda McCartney: Life in Photographs*, and *Marc Newson: Works*.

This is the book of all books for SNL fans. It is worth every penny. I just got it and haven't had a chance to go through the whole thing, but just flipping through I could not believe all the information that was included. From letters cast members wrote to Lorne to an index of every single season that lists each episode, host, current cast, memorable skits, etc. I am a huge SNL fan, but this book had information/photos I've never heard about or seen before. I love it and I am so glad I have this book!

If you love SNL, this is such a cool book. Especially if you forget about some of the episodes.

The content is amazing, so many pages of great stuff. There must be an issue with the binding, this is my 2nd copy and both are warped.

i love this book so much. it's got a bunch of neat photos and information on SNL. it's also well designed.

The pictures are so bright and the book is pretty lightweight. And it's very interesting for any SNL fan! I certainly love that show!

Like getting a proper backstage tour of SNL. Well done Taschen.

If you are fan, even casual you will love this book. Has everything SNL you could want in a book. Great pics, lists every show. Nice coffee table book. Brings back many, many memories....

Loving the book so far! Has tons of great pictures and interesting information.
