Led Astray (Astray & Devil)

Synopsis

Jenny Fletcher had selflessly put her needs and dreams behind those of her fiancé, Hal, a man more committed to a cause than to her. On the eve of his departure for Central America, he gave Jenny what she wanted more than anything...one passionate night. It was his final gift. Cage Hendren was the opposite of his brother, Hal, in every way. The black sheep of the family, he was all rough edges, with a soft spot for just one thing: Jenny. But she'd always thought Cage was too wild and reckless...until he showed her a wildness in herself she hadn't known was there. And now that she's been led astray...she couldn't possibly turn back...

Sandra Brown is the author of sixty-eight New York Times bestsellers, including *Mean Streak*, *Deadline*, *Low Pressure*, and *Smoke Screen*. Brown began her writing career in 1981 and since then has published over seventy novels, most of which remain in print. Sandra and her husband, Michael Brown, live in Arlington, Texas.

Living in the parsonage of Bob and Sarah Hendren, Jenny Fletcher has molded herself to fit the dreams and lifestyle of her fiancé, Hal Hendren. Unbeknownst to her, his older brother, Cage, is in love with her. On the eve of Hal's departure to Central America, Jenny pleads with him not to go, only to be turned down. What follows is a night of passion with Cage. Karen Ziemba brings Jenny's character to life as she vacillates between guilt for her passion and acceptance of her love

for Hal's brother. Ziembra treats Cage and Jenny's characters with empathy, while imbuing Bob, Sarah, and Hal with appropriate moral rigidity. M.B.K. Led Astray is the kind of story that you can read over and over again. Cage and Jenny the star-crossed lovers. Erin St. Claire was on point when describing the character of Cage Hendren. Hot blond bad boy with curly hair and sun bronzed skin. Even Jenny the sweet adopted daughter of the Pastor and his wife who have raised her in the Hendren home with Cage and his younger brother Hal who they are grooming to be a preacher and Jenny to be his perfect preachers wife, but all that gets complicated when she is Led Astray by older brother Cage who has secretly been in love with her for years but never acted on it because of his brother. This is definitely a good read for the romantic person at heart like me.

When I ordered this book on I wasn't sure how much I would like it. It's an older book by Sandra Brown, back when she wrote romance novels. And although the book is a little dated, it didn't feel that way at all. I've read A lot of books by Sandra Brown and liked most of them (I loved lethal the most) so I thought I would give this book a chance and boy, am I glad I did! I fell in love with Cage, the hero. He was so sweet and really and truly loved Jenny, the heroine. He still had that bad boy charm we all love so much, but he was never mean to Jenny the way so many heroes are these days. He took care of Jenny and was for her when she needed him. I really felt sorry for Cage and the way his parents treated him. I also really loved Jenny, she was so sweet and was the perfect girl for Cage, (even though he thought she was too good for him) so yes, this book is going on my keeper shelf. I loved it so much and I highly recommend reading it!

I can't say enough about Brown's writing. If you wish to read books by a great writer, she is definitely that.

Awesome reading as usual when you pick up a book by Sandra Brown.

I enjoyed the story. I love the way Sandra Brown describes the characters features in her books. She makes you feel like you know them and can picture them in your mind.

One of my favorites.

great

I've read most of her classic romances and while before the larger-than-life characters and dialog were appealing, now they're kind of annoying. oh well. I had to grow up sometime.
