This is the third or fourth copy we have given out of this book. It is a great look at a lot of the fun sites and attractions around Seattle. They give a great feel for life in the Emerald City. Would recommend to anyone with a toddler. Great bedtime story.

These books have become part of our grandson's bedtime routine. He knows that when it says "good night" at the end of the book that it's time for him to go to sleep. I plan on buying more.

I've always lived in Seattle and this book is so cute! I love giving it as baby shower gift! I'm pregnant now and can't wait to read it to my twins!

Really not a fan of the illustrations in this book. The pictures feel choppy and cold, and there is no story line, just images of places. Hoped for something better.

Great item! It arrived on time and in great shape! Thanks!

This book is so sweet. I bought it for an adult and for a toddler. They both love the book because it reminds them of what they saw in Seattle.

The Goodnight Books are a great way to remember places we have traveled as a family. We also collect the ones where our other family members live! The kids love to picture read & be read too.

Good Night Seattle is one of the best in the series. Our granddaughter, not in Seattle can learn about all of our wonderful places. A good gift!
