As a food- and history-obsessed Miami native, Mandy Baca found her true passion for food and writing while enrolled in the Hospitality School at Johnson & Wales University. She also holds a master's degree in Italian Gastronomy and Tourism from the University of Gastronomic Sciences in Colorno, Italy. She has contributed to various publications both locally and nationally and is the author of *The Sizzling History of Miami Cuisine: Cortaditos, Stone Crabs and Empanadas*; which details Miami's rich food culture. Mandy Baca currently resides in Miami and continues her quest to inspire and advance the interest in local food culture.

As a resident in South Miami I've found this book fun. There are so many hidden spots that I've not been to...exploring them has been an adventure.
