Diary Of A Fiery Charlizard (Animal Diary Book 14)

Synopsis

Have You Ever Wondered What Life Would Be Like as a Fiery Charizard? In this book, you will meet Charlie, a female charizard (which is rare!) who has to win the Showcase tournament for her trainer, Marina. Join the adventures of the fiery charizard on her way to mega evolution! Is Charizard really different from us? You'll be surprised at what you discover. So, jump into this adventure and find out!

Customer Reviews

good book to get your kids to read

Can't say enough about these books. This has turned my 9 year old nephew into an avid reader! Very pleased and took the time to list all of them on a spreadsheet so I don't buy the same ones.

Cute book series, even for a tween who loves Pokemon!

My children love this book and the series of these. However, I feel they are very poorly written. I have found grammatical mistakes throughout the series. When a book is written for children, I expect a well written and edited book as an example for the children who are learning to write.

its a tough read, it doesnt flow very well, and i wish there were more pictures, my sons wants to stop and google each pokemon they mention as they come up but since i have the digital version we have to exit it out and go to google and then back into the book... and the way it is written is kind of hard to follow, i like to be animated when i read to him but trying to be animated is difficult with this format, its kind of unpredictable.

Overrated

Can I give these books less than one star? Terrible! Bought these for my 2nd grade son for Christmas because he is an AVID Pokémon fan. I just can't tell you how disappointed I am! I am an elementary school media specialist, and I would NEVER recommend these books to anyone, let alone my own son!!! Poor grammar and spelling, cheap look and feel. Material more for a very low fifth grade reader (content not interesting or appealing to 2nd graders). Terrible! Just terrible!!!!

very expensive for a 2nd grade reader, which I didn't realize at the time I purchased them. I thought that they would be for an older crowd.
