# National Geographic Little Kids First Big Book Collector's Set: Animals, Dinosaurs, Why? (National Geographic Little Kids First Big Books)

## Synopsis

This Collector's Set includes three volumes -- Animals; Dinosaurs; and Why? -- providing fascinating, level-appropriate facts alongside bright and colorful photographs and illustrations. Inspired by the award-winning National Geographic Little Kids magazine, the Little Kids First Big Book Collector's Set is a visually compelling and approachable set of first reference books for 4- to 8-year-olds. Each book encourages interactivity, satisfies curiosity, and launches kids into a lifetime of exploration!

## Customer Reviews

NATIONAL GEOGRAPHIC KIDS inspires young adventurers to explore the world through award-winning magazines, books, website, apps, games, toys, television series and events and is the only kids brand with a world-class scientific organization at its core.

This is a perfect book set for kids, colorful pictures and small pop up questions keep it fun and capture their attentions. The way it is designed makes them curious to know more about the animals or fun facts and understand new things, my son is 3.5 yrs old and he loves to read it with me! He can even read the big dinosaurs name since they break it down to easy reading... its unbelievable

:)Very good beginners book and I totally recommend it.

My two little grandsons loved this book.They ask their Mom to read it more than all the other books they received as gifts.The books are excellent resources for all ages. Another successful gifting.

awesome

My 3 yr old nephew loves this series of 3 books, perfect gift.

Another great book to add to my niece and nephew's collection. They love it.

Beautiful books that will be enjoyed for years

Got these for my daughter and she loves them so much!

Awesome product! A definite must have!!
