Laughter, The Best Medicine: Those Lovable Pets: Reader's Digest Funniest Pet Jokes, Quotes, And Cartoons

Synopsis

People are funny, but so are the animals we love-and our day-to-day relationships with them can be even more entertaining. Dogs and cats obviously rule the comedic roost, but parrots, parakeets, and other talking birds are often an endless source of amusement as well. Even our connection to bunnies, hamsters, and the occasional white rat can evoke a good laugh. The 500-plus pet anecdotes, cartoons, and quotes in *Laughter Is The Best Medicine: Those Lovable Pets* have been collected from more than eight decades' worth of Reader's Digest magazines and are guaranteed to cheer up your day. You'll meet the woman whose dog trembled at the "Beware of Dog" sign in their front yard until she told him, "Relax! It's you!"; the vet whose advice to a woman whose cat had swallowed lots of unpopped popcorn was, "first, keep him out of the sun"; the mother-in-law who concealed her way-too-plump piglet's weight loss pills in ice cream; and much more. Our furry or fine feathered friends not only warm our hearts but also amuse us (and our joke writers, too) with their antics-one reason, no doubt, the market for this book is so vast: At the minimum, 40 percent of American households own at least one pet.

Good book if you do not have any other humor books to reference. Otherwise this can be a rehash of jokes that have been used for the past 20 years. I personally got about 5-6 new stories/jokes to use in my presentations.

I love the whole series of laughter books from Readers Digest. A few years ago I bought them for

my husband. He didn't read them then. I did. And now he has. We both re-read them and enjoy them every time. Someone borrowed them and did not return them and I just bought them again.

I LOVE reading the "laughter" columns in The Readers Digest so I was delighted when my husband bought this for me! LOL! You'd be laughing too if you read this. It's worth every mirthful penny!

Jokes are kinda corny. Brought it to work to ease our stress level & makes us laugh but not many of us are laughing :(

This is a good book if one needs cheering up as I did while in chemo.

these are so funny to read, i always love joke books

Many well thought out Laughs contained inside these pages!

Gave this book to my father for Christmas as he's a long time Reader's Digest fan. He started reading it immediately which meant he was periodically laughing to himself during the rest of the present opening and it was hard to get him to open anything else. So...it must have been pretty good.
