Introduction Prayer is seeking answers and direction in life. Meditation is listening for answers from a Higher Power and developing the faith within us to accept these answers. Reflection is the study of ways to change the answers we get from prayer and meditation into action. This second volume of prayers and inspirational readings was written and compiled to assist all Twelve Step Fellowship members with their prayer life and spiritual progress. Those who are just beginning a life of recovery

will find help by working the Eleventh Step. Those who have time in the Program will find a deepening of their spiritual life. Anyone who has trouble finding the "right words" to speak with his or her Higher Power may find exactly what he or she wants to say in one of these prayers. The suggestion in the Eleventh Step "sought through prayer and meditation to improve our conscious contact with God as we understood Him" asks us to improve our prayer and meditation life. May these prayers help you improve your spiritual progress. This book, as with volume 1 of The 12 Step Prayer Book, is a companion to the meditation book Easy Does It: A Book of Daily Twelve Step Meditations.

Amazing book, has many well-known prayers and many many new ones that I have never even heard once. Great book if you're looking for a little change or something new to recite in the mornings. Also gave me the opportunity to find a specific prayer for a specific feeling or worry I might be having. Mainly i love it because it adds new perspective to my life, and I like to take phrases from many prayers and form them into one large one, that sort of thing. Also I love the size, it's convenient and quaint.

Just as expected from the description and pic. Nicely written, quality printing, nice cover and binding. I am a satisfied customer.

Beautiful prayer book for anyone with a belief in a power greater than themselves. I highly recommend this book.

It is ok. Not as good as expected. Looked at the 2nd volume sample but did not buy. It is not organized by step if you are hoping to give it to someone in a 12-step program. That is why I give it 3 stars. A random hodge podge of readings. On the other hand, if the intended reader does not already have a number of good daily meditation readers, then this one will be greatly appreciated by someone in recovery.

very helpful

I prefer more of a daily inspiration format, being able to read each one based on the date in sequential order. This one works more like an index where you'd look up the date and it tells you a page and prayer number to look up for that day...and it's a bit confusing with two numbers (page

and prayer number).

I love, love, love this book!!! What an awesome thing have for daily prayer!! Very useful to those new in recovery!

Excellent resource for anyone but especially helpful to someone who wants prayers that are simple and very understandable. Also excellent for newcomers in AA and people looking to strengthen their spiritual self and grasp more about the teachings of AA.
