## Customer Reviews

Anyone who has ever tangoed around a Webber barbecue or twisted to a Chubby Checker tune while holding down the lid of a milkshake mixer can understand the extra enjoyment to be had when cooking is inspired by music, and vice versa -- CITYFOOD, Feb./Mar. 1999

Dione Russell has succeeded in presenting the authentic flavors, essences, and anecdotes of New Orleans in such a way that she has truly brought the world of Louisiana to the homes of North Americans.
